## THE NEXT Eucharistic CON- GREGATION

The next Eucharistic Congress on  
this continent will be held in New  
Orleans, probably in 1914. This was  
the statement made in Montreal, yes-  
terday, by Cardinal Gibbons just be-  
fore his departure for Baltimore. Next  
year's congress and those of the two  
succeeding years will be held in  
Europe.

Cardinal Vannutelli presided yester-  
day at the disinterment of the body  
of Mother Marguerite Bourgeois, found-  
er of the Order of the Congregation  
of Notre Dame, who will be canonized  
today. The remains were identified  
by the cardinal, who subsequently  
placed his seal upon the casket. Cere-  
monies held in the seminary chapel  
of Notre Dame de la Pitié, were pre-  
ceded by a solemn procession about the  
chapel yard, in which the casket was  
borne accompanied by the cardinal  
Archbishop Bruchesi and 200 bis-  
hops and priests.

Cardinal Gibbons started for home  
yesterday morning. He was accom-  
panied to the station by Sir Thomas  
Shaughnessy, whose guest he was  
during the congress. There was a  
large gathering of clergy on the plat-  
form to bid him adieu, including  
Archbishop Bruchesi and several bis-  
hops.

Monday was a gala day at Oka.  
Cardinal Vannutelli, accompanied by  
Cardinals Logue and Gibbons and  
other dignitaries of the church, paid  
a visit to the little village on the Lake  
of Two Mountains and the entire place  
was in gala attire.

It is the intention of Cardinal Logue  
to visit Ogdensburg and proceed  
through the Thousand Isles. He will  
then go to New York, where he will be  
the guest of Archbishop Farley and  
assist at the consecration of St. Pat-  
rick's Cathedral.

Cardinal Logue will visit Cardinal  
Gibbons at Baltimore. If time will  
permit the papal legate will visit Wash-  
ington and Baltimore on his return  
from St. Paul.

When the digestion is all right, the  
action of the bowels regular, there is a  
natural craving and relish for food.  
When this is lacking you may know  
that you need a dose of Chamberlain's  
Stomach and Liver Tablets. They  
strengthen the digestive organs, im-  
prove the appetite and regulate the  
bowels. Sold by W. F. Creighton and  
Richard Gibson.

## FARMER HANGS HIMSELF.

Because he could not purchase his  
old farm and again live in Minnesota,  
Herman Knopke, formerly of Nary, in  
northern Hubbard county, Minn., on  
Monday erected a crude gallows three  
miles east of Nary and hanged him-  
self to the limb of a tree. The spot  
chosen for the deed was a half mile  
from the main traveled road near the  
farm which Knopke formerly owned.

The suicide of Knopke, who is mar-  
ried and has a family, is peculiarly  
pathetic. He went to Nary several  
years ago from Minneapolis, where he  
worked in a saw mill, and finally  
bought a farm near there. He be-  
came disheartened, sold his place and  
went west. Not long ago he returned  
to Nary and tried to buy back the  
farm, but had not sufficient funds to  
make the deal. Three weeks ago he  
told his wife he was going to North  
Dakota to visit his two brothers and  
secure funds to again own his old  
home. He disappeared and the next  
thing he was seen when the dead  
body was found dangling at the end of  
a self-adjusted rope.

## EXPLOSION IN A POWERHOUSE.

Nearly one-half of the entire force of  
6,000 men employed at the plant of  
the Newport News Shipbuilding and  
Dry Dock Company was thrown out of  
work for five hours yesterday by the  
bursting of a 12-inch steam feedpipe in  
the main powerhouse at the yards.  
The accident occurred 10 minutes be-  
fore the yard opened for work yester-  
day morning, and that no one was in-  
jured seems a miracle, as hundreds of  
men were near by. Pieces of the steel  
pipe were hurled through the roof of  
the plant, tearing a hole 10 feet square  
in it. Other pieces struck machinery  
in the plant, but did little damage. The  
powerhouse was instantly filled with  
hissing steam and the frightened work-  
men inside sought safety in the open.  
Engineer Baker groped his way through  
the blinding steam to the safety valve  
and the feed pipe and cut off the  
steam. The bursting of the pipe stop-  
ped every piece of power-driven ma-  
chinery in the yard, and it was five  
hours before temporary repairs could  
be made and the machinery started up.  
It is estimated that 200 men will be  
out of employment for several days be-  
cause of the accident.

## NEW YORK BANK MULCTED.

The financial district and the district  
attorney's office in New York were  
much stirred yesterday by reports that  
a downtown national bank had been

## MY DOCTOR

**MIGHTY FINE**  
Mrs. Hattie Cain of Carrsville  
Thinks all the More of Her  
Doctor Since He Advised  
Her to Take Cardui.

Carrsville, Ky.—"My doctor," writes  
Mrs. Hattie Cain, "who advised me to  
take Cardui, for my troubles, is a mighty  
fine doctor, and I say God bless Cardui  
and the people who make it."  
"Before I took Cardui, I suffered with  
female troubles for sixteen years. I  
would have to send for a doctor every  
three months, and oh! how dreadfully I  
suffered!"  
"I would cramp and have convulsions  
and it looked like I would die. At last I  
took Cardui and oh! what a surprise! I  
found it was the medicine for me!"  
"From the first bottle, I began to mend  
and now I am well, can do more work,  
can walk and go where I please and it  
don't hurt me, and I owe it all to Cardui."

Cardui helps sick women back to  
health. It has been doing this for over  
50 years. It is not a laxative, or a heart  
or kidney medicine—it is a woman's  
medicine.  
If you are a woman, try it.

N. B.—Write for Ladies' Advisory Dept., Chat-  
tanooga Medicine Co., Chattanooga, Tenn., for Special  
Instructions, and 64-page book, "Home Treatment  
for Women," sent in plain wrapper, on request.

mulcted of between \$125,000 and \$150,-  
000. The man accused of the alleged  
larceny is known and is under surveil-  
lance. His name, as well as that of  
the bank concerned, was stated at  
the district attorney's office last night  
will probably be made known today  
following an investigation that is in  
progress.

As far as could be learned the money  
involved was procured on loans from  
the bank through the alleged use of  
insufficient securities and of false  
statements of credit. The losses were  
described as having been all in cash and  
it was hinted that transactions of a  
similar character with other institutions  
might be disclosed before the investiga-  
tion was ended.

That at least one arrest would be  
made probably today was the expecta-  
tion at the district attorney's office last  
night.

## THE BIBLE IN CHINESE.

The final revised edition of the New  
Testament, together with the first com-  
pleted book of the Old, the Psalms of  
David, is now issuing from the press  
in Chinese, and stacks of the volume  
are being shipped to the remotest parts  
of China. The special committee of  
translators are now gathered together  
in Chifu at their annual conference on  
the work, which they hope will be to  
China what the authorized version of  
the Gospel is to the English-speaking  
world. The project was inaugurated  
in 1890 at a conference of all the mis-  
sionary bodies at work in China, and  
is being consummated at the expense  
of the Bible societies of the world.  
Several books are added each year,  
and it is estimated that the whole  
volume will be complete about the year  
1915.

## POLICE CHIEF FINED.

With a fine of \$200 assessed against  
him for having brought liquor into  
local option territory and "treated"  
several friends, Chief of Police David-  
son, of Portsmouth, Ohio, will also  
face charges before Mayor Searey.

Chief Davidson was arrested yester-  
day charged with violating the local  
option laws. The allegation was made  
that the chief brought home several  
bottles of liquor, presented to him  
while attending a meeting of chiefs of  
police at Chillicothe, and that he passed  
the samples around among his friends,  
including members of the police force.

After a hearing in the case, Judge  
Blair assessed a fine of \$200; besides  
delivering from the bench a severe ver-  
bal castigation.

Judge Blair ordered a transcript of  
the record in the trial filed with Mayor  
Searey. Chief Davidson will appeal.
